

Experience Packages

Our popular experience packages are designed to give you memories that will last forever!

Marine Biologist

Become a Marine Biologist for the day and explore the centre with your own personal marine expert helping to feed all the creatures on the way!

Breakfast with the Seals

Visit the centre before we open up to the public and join our resident seals for breakfast. You'll have the chance to feed them breakfast before enjoying your own!

Sleepovers

Have you ever dreamt of sleeping under the ocean and watching beautiful sharks and rays swimming above you as you drift off to sleep? Well, now you can!

Please ask a member of the team for more details or visit
